VIKTOR THE VICTOR

Official Opening of the Refurbished Aspen Courts

On Saturday, September 8th Pickleballers gathered at the Aspen Courts to officially open the four Pickleball courts which had undergone considerable refurbishment earlier in the summer.

Over 30 players came from far and wide - a large contingent from the Donnelly Pickleball Club as well as the 45th Parallel group.

A Round Robin Tournament was fiercely contested with 30 players each playing 6 games.

An intense Play-Off for **Third Place** between Bob Chester & Katie Petry and Mitko Smith & Art Peavey resulted in Bob & Katie taking away the medal.

Second Place went to Cynthia Peavey who lost only one of her 6 games.

Tournament Winner was Viktor Dimov who won all of his games. (We learned that Viktor will soon be returning to his home country of Macedonia - he will be missed by his Pickleball friends!!)

Congratulations to all!

Thanks to all those who participated and to those who contributed to the "pot" - these funds will assist with the expense involved with the refurbishment (part of which was paid for by the Aspen Club). A special thank you goes to Debbie Isley, The Club Manager, who waived the usual Drop-In fee for players who attended the event.

Special thanks goes to M&M Club President Paul Christensen for his tireless work during the past winter researching products to determine the best solution for resurfacing the courts, and his negotiations with The Club.

And of course, the project would not have been possible without the labor provided by members who spent 150 hours preparing, resurfacing and painting the courts.

Event Organizers Paul & Kristin Christensen and Paul & Laurie Janssen received recognition for arranging the event and the delicious Continental Breakfast. See Page 3 for pics.
