

2019/2020 INDOOR PLAY UNDERWAY

great turnout and fun play for our first night last month at the *Elk*Creek Celebration Center - located a couple of miles south of McCall (14102 Highway 55, McCall). Schedule on the right and on page 2.

There has been a schedule change - Thursdays 1.00/3.00pm (instead of 12n/2pm). Elk Creek has the Celebration Center scheduled from 11am-1pm as open to the community for walking on Thursdays - everyone is welcome to come during this time and walk.

Player Rotation - if there are up to 6 players waiting - (except for the first game of the day) everyone plays two consecutive games in a row, win or lose, then come off and put your paddles in line.

Here's how it works:

FIRST game of the day/night winners split, losers come off and put paddles in line. Winners from the first game split and stay on to play a second game with two new players -Players A and B. When this game is finished both winners from the first game come off (they have played two consecutive games in a row on that court). Players A and B stay on court for their second consecutive game and will come off after this game is finished win or lose. Players C and D come on to play their first game. And so on.....

If games seem to be taking a long time, we will drop the score to game over at 9 points.

If there are more than 6 players waiting we will go to 4 players on, 4 players off.

Thanks in advance for spreading the word regarding signing in, filling out the liability form, and player rotation with players that may come in late or new players.
