# Mountains & Meadows Pickleball Club

## Letter from President

**D**ear Mountains and Meadows Pickle Club members

We are currently working with The Club at Aspen Village to continue our successful partnership. We hope to begin play soon.

Beginning May 19th, we will have play at the Lutheran Church on two courts. We will play Tuesday and Thursday at 5:30 pm and Friday at 10:00 am. Watch your email for "pop-up" play – Spur of the moment play on days when the weather cooperates or we have time to put a game together.

The following guidelines will be followed:

- 1) The pickleballs are washed before you begin your game.
- 2) Every person on the court will have been through 14 days of isolation directly prior to coming out to play. This would assure they have not unknowingly picked up the virus anywhere. If they have been anywhere around people after completing the 14 days of isolation and prior to coming to play, they could potentially be carriers again.

- 3) Engage in physical distancing of at least 6 feet.

- 4) Practice good hand hygiene.

- 5) The courts to be played on have not had anyone carrying the virus playing on the courts in the last few days (supposedly the virus can live on the hard surface for quite a while). If everyone adheres to these guidelines, there is no danger of the ball picking up the virus while you are playing.

- 6) Players must schedule their play so only two courts are used with 4 players on each court. Total of 8 players on the courts. This follows the Stage 2 Idaho Rebounds guidelines.

- 7) Players are asked to bring a patio chair and relax by their vehicles while waiting to play.

- 8) A release from responsibility signature will be required each day of play.

- 9) A \$5.00 donation is suggested for the church.

If you have been out of the area we encourage you to self quarantine for two weeks before joining us on the court.
