# Hobble Creek Park Pickleball Complex Update

## HOBBLE CREEK PARK PICKLEBALL COMPLEX UPDATE DECEMBER 5, 2018

At this time of year Treasure Valley Pickleball Advocates have a lot to be proud of and thankful for.

On October 31, 2018 the Hobble Creek Park Pickleball Complex Committee delivered a check to the Boise Parks and Recreation Department (BPRD). That check satisfied our \$50,000 obligation to BPRD. With our financial obligation secure along with a contribution from our corporate partner the J.A. and Kathryn Albertson Family Foundation, the BPRD will apply for the Land and Water Conservation Grant in order to generate the additional revenue necessary to complete the Hobble Creek Park Pickleball Complex. Once the grant is approved, BPRD plan to begin construction in the early summer of 2019 with completion scheduled for September.

There are donors that have stepped up to support the sport of pickleball in the Treasure Valley. Several pickleball advocates have combined to purchase courts, as have businesses (see page 2). We want to thank and support Idaho Pizza for their generous donation.

There are still several courts that can be sponsored and the water fountain is still available for a \$4,000 donation. Additional supporters will provide needed revenue to develop infrastructure amenities that will make the complex a beautiful, inclusive and welcoming venue. Nick and Tami Leach are still accepting donations for bricks at [tamileach1@gmail.com](mailto:tamileach1@gmail.com). We are classified as a public charity by the IRS.

The Hobble Creek Park Pickleball Complex Committee thanks you for your support and wishes you a **HAPPY HOLIDAY SEASON.**
